### **DEBBIE MARTINEZ**

Debbie Martinez was born and raised in Winslow, she graduated from Winslow High School in 1977. Debbie was active in sports and she loved Track and Gymnastics.

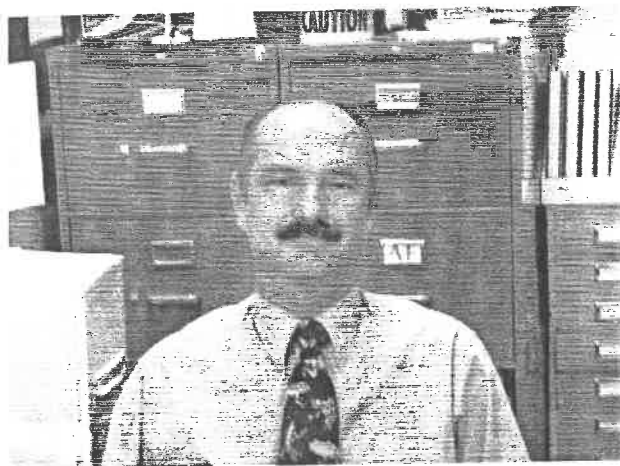

Debbie married Tommy Martinez in 1979 and he was also a sports enthusiast. Together they had three very athletic children, Jackie, Michael and Steven.

Debbie's passion is High School sports!! In the past eight years Debbie has not missed a football game, wrestling match, softball game, volleyball game or baseball game. Debbie believes students need support and inspiration. She has been busy with hospitality rooms, yearly coaches luncheons, making lunch or breakfast for the football teams, booster club president and secretary, wrapping the "W", organizing tailgate parties, barbeques for softball, baseball and football, and Navajo Taco sales for fundraisers.

Describing Debbie is having respect and dedication to the students of Winslow High School. Her sense of humor gives her a wonderful rapport with all students.

Even though Debbie's youngest son is graduating from High School, her dedication will continue.
